We end the day by attending the Last Post service at exactly 20h00, which is held every single day.

Naturally we also make a boat tour to see this amazing town from the water.

In the afternoon we go to the city centre and see the Grand Place, the Mont des Arts, and the Manneken Pis statue. We also attend a chocolate making workshop, and of course enjoy a good Belgian beer. Optional visits to various museums depend on the interest of participants.
